Our Mission

We strive to understand the needs of businesses and provide them with comprehensive and reliable recruitment and manpower supply services. Companies can then focus on their core functions as we take care of their human resources needs. Our extensive talent sourcing process and competency-base interviews ensure that the candidates we provide our clients match their value systems.

Our Vision

To be the standard in recruitment and manpower supply services in the Gulf region with trust and integrity driving our company's core values.

Quality Process

Having quality process in place at RAWAFED do more than just see the standard to ensure excellent output of services. We recognized that a good quality process helps set the internal culture of our firm. Quality is one of the most important features of our company, we use quality processes as driving tools for delivering quality services for our clients.

We invest time and money in recruiting the best. Quality reflects our work, we aim to do it right the first time. Meeting clients' standards guarantees client loyalty, stronger reputation and growth, hence replicating to our success. Delivering quality services is at the pinnacle of our decision-making.

Our Growth

To guarantee quality, we continuously liaise with the clients and candidates to ensure that the recruitment process runs as smoothly as possible and that all expectations are met. Communication with both parties is the key to make the transition as easy as possible. Quality for Rawafed Recruitment is not just about allocating candidates, it is also about easing the burden on the client by engaging in innovatory ways of recruitment. We support our candidates throughout the employment process, and where contract hire, the support is provided throughout their careers.

Candidates

We understand that every candidate is an individual and that having the right job can make positive difference in their lives. Therefore our aim is to fully understand our candidates, their career aspirations and select and recognize the kind of organization that would best meet their requirements. We personally managed relationships that guide them through the complete recruitment process from interview and CV advice to guidance on key career matters.

Client Services

Our insight and understanding of the demands of our client's selection process means that, from the outset, we are very confident of finding those skills and personal qualities that will best fit their offices.

Oil & Gas
Refinery
Petro Chemical

A photograph of an industrial refinery facility with two workers in safety gear. The scene is filled with a complex network of pipes, valves, and large cylindrical tanks. The workers are wearing dark jackets and white hard hats, one with a headlamp. They appear to be inspecting or operating a piece of machinery in the foreground.

Hospitality

A close-up photograph of a person wearing a dark blue uniform, likely a hotel bellhop or concierge. The focus is on the person's shoulder and the top of their head, which is wearing a polished metal bell hat. The background is blurred, showing what appears to be a hotel lobby.

Engineering &
Construction

A photograph of three men in business attire reviewing architectural blueprints. Two of the men are wearing white hard hats. They are standing in front of a backdrop of modern skyscrapers, suggesting a construction or engineering project in an urban setting.

Healthcare

A photograph of a smiling man in light-colored medical scrubs. He is looking towards the camera. The background is a bright, clean clinical or hospital environment.
